## SAFETY NOTICE

December 21, 2022

**ProSwivel 1.5" PMP Single Pulley (CMC Part# 300430)**

**ProSwivel 1.5" Single Pulley (CMC Part# 300431)**

**ProSwivel 1.5" Double Pulley (CMC Part# 300432)**

**ProSwivel 2.0" PMP Single Pulley (CMC Part# 300437)**

**ProSwivel 2.0" PMP Double Pulley (CMC Part# 300438)**

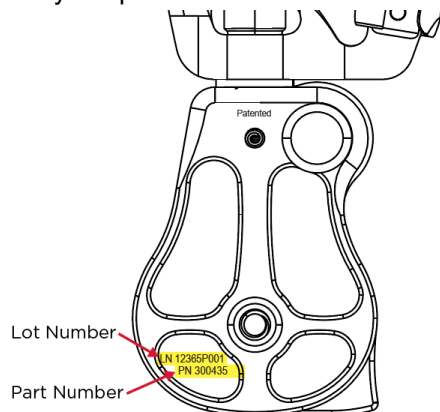

**ProSwivel 2.6" PMP Single Pulley (CMC Part# 300436)**

CMC and our manufacturing partner Rock Exotica have become aware of a potential safety issue regarding the ProSwivel Pulleys listed above with lot numbers 18001XXX through 22304XXX (spanning manufacturing dates of January 2018 to October 2022). We are requesting that users inspect the set screws on these pulleys before their next use. This is a precautionary measure due to the similarity between these units and the 1.1" pulleys in the Product Recall Notice that is also being issued on this date. See below for inspection instructions for these models and lot numbers.

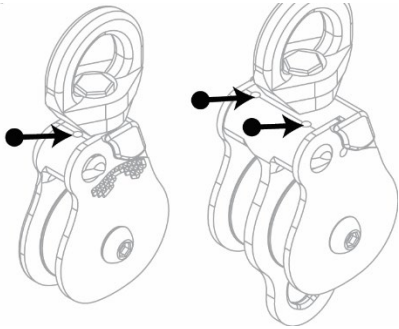

### Follow these steps for inspection:

**The inspection criteria below apply to ProSwivel Pulleys manufactured from January 2018 to October 2022. The lot number corresponding to this period is 18001XXX through 22304XXX. Please note that models pre-dating 2016 may differ in their inspection procedures and visual checks, see details [here](#).**

1. Verify the part number and lot number of your ProSwivel Pulley.

- Identify the location of the set screw(s) on your ProSwivel Pulley.

- Compare your pulley to the images in the inspection evaluation below.

	<p>Brownish / Yellowish Sealant is even with or slightly below surface. STATUS: PASS ✓</p>
---	--

	<p>No Sealant STATUS: RETURN </p>
--	--

	<p>White / Grey Sealant is slightly below, even with or above surface. STATUS: PASS ✓</p>
	

	<p>Brownish / Yellowish Sealant is above surface. STATUS: RETURN </p>
--	--

- If your inspection determines that a return is required, complete the following form to send your unit to CMC for additional inspection and repair. CMC will process your return and ship your equipment back to you at no cost, use this form to start the return process:

[ProSwivel Safety Notice Form](#)

If you have additional questions on inspection, we may be able to assist by filling out this [form](#) and including a detailed photo of your pulley. If you have any other questions, please contact our Customer Support team by emailing [info@cmcpro.com](mailto:info@cmcpro.com). Thank you for your continued support and trust!

Refer to the [Recall Notice](#) for important information on other ProSwivel Pulley models 1.1" PMP ProSwivel SwivaBiner Pulleys (CMC Part # 300435) and 1.1" PMP ProSwivel Single Pulleys (CMC Part # 300434).
